

A CRM APPLICATION FOR WHOLESALE RICE MILL Milestones and Activities: Milestone 1-Salesforce : Activity 1: Creating Developer Account:

The image shows the Salesforce Developer Edition sign-up page. On the left, there is a blue background with a white monitor icon displaying a flowchart. Below the icon, the text reads: "Build enterprise-quality apps fast to bring your ideas to life". A list of bullet points follows: "Build apps fast with drag and drop tools", "Customize your data model with clicks", "Go further with Apex code", "Integrate with anything using powerful APIs", "Stay protected with enterprise-grade security", and "Customize UI with clicks or any leading-edge web framework". On the right, the Salesforce logo is at the top. Below it, the heading "Sign up for your Salesforce Developer Edition" is followed by the subtext "A full-featured copy of the Platform, for free". A grey box contains the text: "Complete the form to start your free trial. Our team will be in touch to help you make the most of your trial." The form fields are: "First Name*" (with placeholder "Your first name"), "Last Name*" (with placeholder "Your last name"), "Email*" (with placeholder "Your email address"), "Role*" (a dropdown menu with "Your job role" selected), and "Company*" (with placeholder "Company Name").

Build enterprise-quality apps fast to bring your ideas to life

- Build apps fast with drag and drop tools
- Customize your data model with clicks
- Go further with Apex code
- Integrate with anything using powerful APIs
- Stay protected with enterprise-grade security
- Customize UI with clicks or any leading-edge web framework

Sign up for your Salesforce Developer Edition
A full-featured copy of the Platform, for free

Complete the form to start your free trial. Our team will be in touch to help you make the most of your trial.

Activity 2: Account Activation:

The image shows the Salesforce account verification page. At the top, the Salesforce logo is centered. Below it, a blue banner contains the text "Thanks for signing up with Salesforce!". Under the banner, there is a screenshot of a Salesforce interface. Below the screenshot, the text reads: "Click below to verify your account." followed by a blue button labeled "Verify Account". Below the button, the text says: "To easily log in later, save this URL:" followed by the URL <https://mru-3b-dev-ed.develop.my.salesforce.com>. Below the URL, the text says: "Username:" followed by the email address kanthalarushindra121@mru.com. At the bottom, the text says: "Again, welcome to Salesforce!"

Thanks for signing up with Salesforce!

Click below to verify your account.

[Verify Account](#)

To easily log in later, save this URL:
<https://mru-3b-dev-ed.develop.my.salesforce.com>

Username:
kanthalarushindra121@mru.com

Again, welcome to Salesforce!

Milestone 4- The Lightning App: An app is a collection of items that work together to serve a particular function. In Lightning Experience, Lightning apps give your users access to sets of objects, tabs, and other items all in one convenient bundle in the navigation bar. Lightning apps let you brand your apps with a custom color and logo. You can even include a utility bar and Lightning page tabs in your Lightning app. Members of your org can work more efficiently by easily switching between apps.

The screenshot shows the 'App Details & Branding' configuration page in the Lightning App Builder. The left sidebar lists 'App Settings' with sub-items: 'App Details & Branding' (selected), 'App Options', 'Utility Items (Desktop Only)', 'Navigation Items', and 'User Profiles'. The main content area is titled 'App Details & Branding' and includes a subtitle: 'Give your Lightning app a name and description. Upload an image and choose the highlight color for its navigation bar.' It is divided into two sections: 'App Details' and 'App Branding'. The 'App Details' section contains three text input fields: 'App Name' (filled with 'MY RICE'), 'Developer Name' (filled with 'MY_RICE'), and 'Description' (placeholder text 'Enter a description...'). The 'App Branding' section features an 'Image' upload area with a placeholder image, a 'Primary Color Hex Value' dropdown set to '#0070D2', a 'Clear' link, and a checkbox for 'Org Theme Options' (unchecked). Below these is an 'App Launcher Preview' showing a button with the app's image and the name 'MY RICE'.

The screenshot shows the 'App Options' configuration page in the Lightning App Builder. The left sidebar is identical to the previous screenshot, with 'App Options' now selected under 'App Settings'. The main content area is titled 'App Options' and includes a subtitle: 'Navigation and Form Factor'. It is divided into two sections: 'Navigation and Form Factor' and 'Setup and Personalization'. The 'Navigation and Form Factor' section has two sub-sections: 'Navigation Style' with radio buttons for 'Standard navigation' (selected) and 'Console navigation', and 'Supported Form Factors' with radio buttons for 'Desktop and phone' (selected), 'Desktop', and 'Phone'. The 'Setup and Personalization' section has two sub-sections: 'Setup Experience' with radio buttons for 'Setup (full set of Setup options)' (selected) and 'Service Setup', and 'App Personalization Settings' with three checkboxes: 'Disable end user personalization of nav items in this app' (unchecked), 'Disable temporary tabs for items outside of this app' (unchecked), and 'Use Omni-Channel sidebar' (unchecked).

Milestone 8 : Role & Role Hierarchy

The screenshot shows the Salesforce Setup interface. On the left sidebar, the navigation menu includes "Setup", "Home", and "Object Manager". The main content area displays the "Roles" section under the "Users" category. A search bar at the top contains the text "roles". Below the search bar, there are tabs for "Users" and "Roles", with "Roles" being the active tab. The roles are listed in a hierarchical tree structure:

- Mfu**

Milestone 11 :

Reports Reports give you access to your Salesforce data. You can examine your

Salesforce data in almost infinite combinations, display it in easy-to-understand formats, and share the resulting insights with others. Before building, reading, and sharing reports, review these reporting basics. In Salesforce.com we can easily generate reports in different styles. And can create reports in a very short time and also schedule the reports. Salesforce provides a powerful suit of analytic tools to help you organize, view and analyze your data.
